WHAT THE PERFORMER IS AGREEING TO (PLAIN-LANGUAGE SUMMARY)

Clause	Summary
Permission to record	The production may photograph, film, and record the performer's appearance, voice, and performance.
Use	The production may use those recordings, plus the performer's name and likeness, in the film, trailers, publicity, and behind-the-scenes material.
Media, territory, term	Any media now known or invented later, worldwide, with no time limit.
Editing	The production may edit, cut, or change the recordings, and may not use them at all.
Ownership	The production owns the recordings. The performer has no approval rights over the final film.
Payment	The payment listed above is the full compensation for this release. No residuals or royalties unless a union agreement requires them.
Claims	The performer gives up claims for invasion of privacy or right of publicity based on uses allowed by this release.
Not revocable	Once recorded, the performer can't withdraw permission.
Set confidentiality	No posting photos or video from set until the production says so.
Union status	The performer confirms the union status above is accurate.

Clause	Summary
Attorney review	This summary is not the contract language. Review the full release with an entertainment attorney.
